Linda –

It was great talking yesterday, I look forward to working with you. You expressed an interested in our policy, so I attached an up-to-date copy of our Lexipol policy manual for your reference.

Starting this next week I will be moving to the Administration Division, and will be overseeing the staff involved in our recruiting and hiring. Lt. Flaa will be heavily involved along with Gina Avalos and Chrissy Alvarez. I can be your point of contact and can invite appropriate staff depending on the scope of the agenda.

Thanks again,

Dan
